

As a 100% volunteer organisation Shar Pei Rescue Inc. relies on the generosity of the community and welcomes any help or assistance that is offered.

Approximately one in three Australian homes has a pet dog and our culture is based on a fair go to all. With over 200,000 dogs and cats euthanized ever year due we can work collectively towards solving this problem.

Rescue dogs are not broken or faulty; they are simply orphans, looking for a good home and in many cases make a better choice of family pet than purchasing from a breeder or pet shop.

You can get involved through our [community foster care program](#) or help out with fund raising activities, promotion, transport and many other areas.
